## Coming Events

**Fri 20<sup>th</sup> Nov** Whole School Assembly – TR Carroll

**Wed 2<sup>nd</sup> Dec** Preschool - End of Year Concert

Dear Parents & Carers,

The Early Years classes have enjoyed their swimming program over the last two weeks. They worked with instructors from the Royal Life Saving Society of Australia who delivered this wonderful program.

Last week we celebrated NAIDOC week. NAIDOC week is a time to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. There are some fabulous displays around our school celebrating this important week.

This week was very exciting for our Preschool students. They had their final water play sessions for the year. They also had a visit from Crocodylus Park. They were all excited to be able to see a crocodile and snake. Some of them even got to hold these animals. Next week Ms Vicki will be holding interviews for families of students who will be starting Preschool next year. Our Preschool is almost full for 2021 so if you are intending to send your child to Wagaman Preschool please get your enrolment forms in as soon as possible to ensure a place.

Wagaman Primary School Learning Commission are heading to the city tomorrow to present their pitch and 2020 work to the Minister for Education and other

Northern Territory Learning Commission schools. This group of students have worked tirelessly with Ms Colling throughout the year investigating data, developing an action plan and resources and holding a maths activity morning for the students in Year 1/2.

Term 4 has been very busy so far. We are all looking forward to the last few weeks of school for 2020 and the end of year celebrations that are coming up. Our school council met for the last time this year on Monday evening. We are very keen to welcome new parents to join council in 2021. It is a very rewarding experience and a great way of connecting with school staff and other parents. If you would like to know a little more about council please don't hesitate to come and have a chat with me.

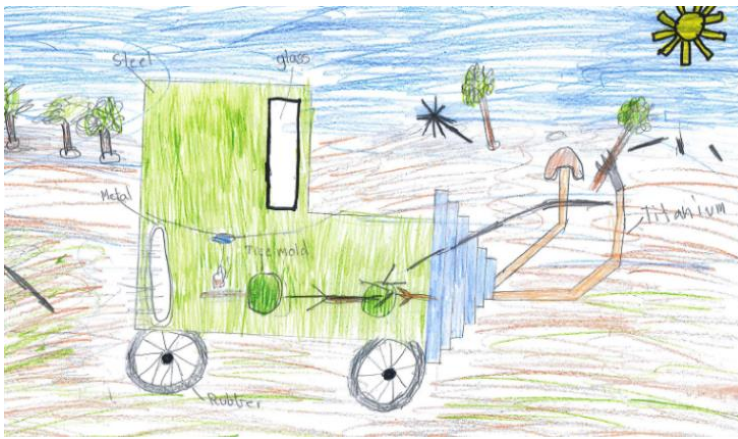

Kind Regards,

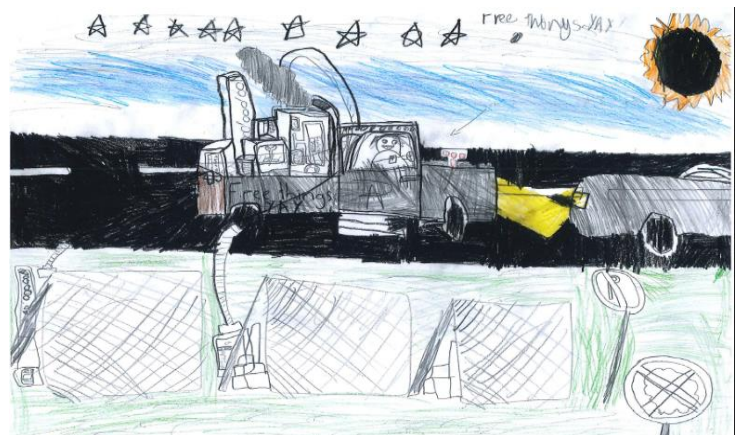

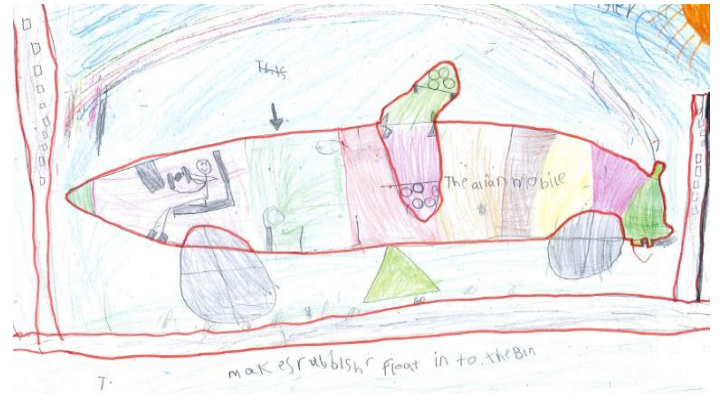

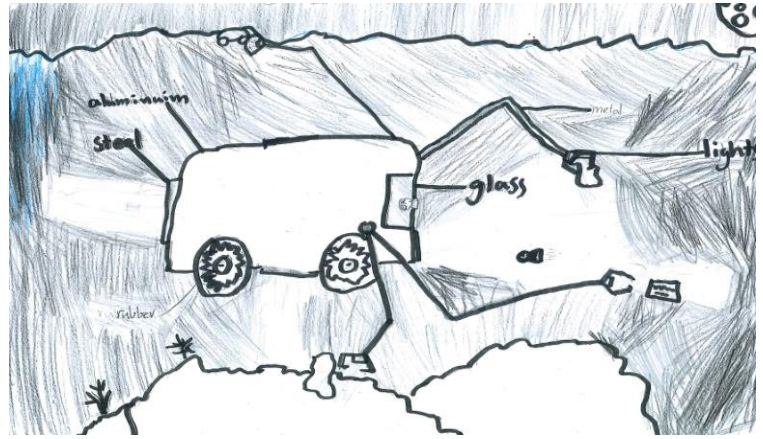

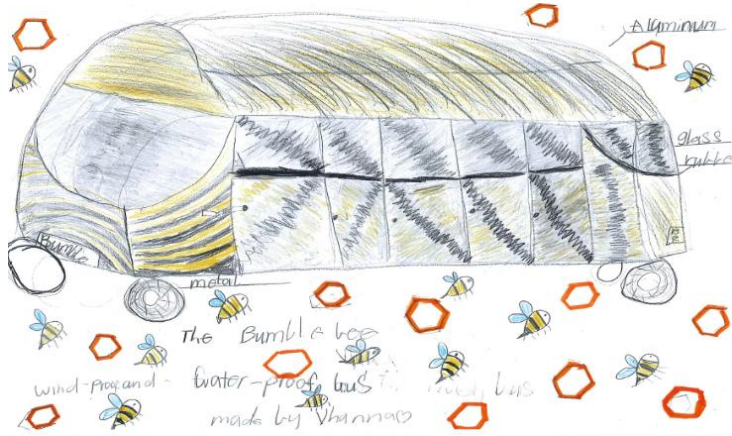

Mandy McKinnon – Principal

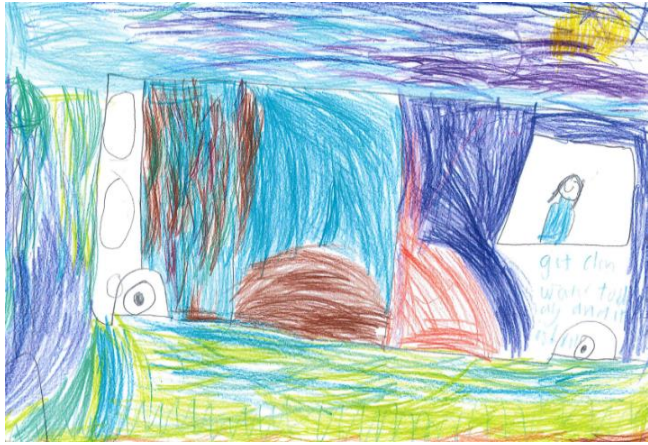

## Year 3/4 Vavlas

### What is it made from and why?

Year 3/4 Vavlas have been inquiring into why different materials are used for different purposes. They have learnt about their properties and which ones are more suitable when designing and creating an item. The students designed a car that would solve a real world problem and described why certain materials were chosen for the design.
