Wed 19 Oct

- Preschool Open Evening
5:00pm - 6:00pm

Mon 24 Oct

- Possible pupil free day
(TBA)

Mon 7 Nov - 17 Nov

- Early Years Swimming

MESSAGE FROM THE PRINCIPAL

As we come to the end of another very busy term, I find myself wondering where the time has gone. It has been wonderful to see families join us for events and activities, including Maths parent information evening, Learning Conferences, Maths lesson observations, family reading mornings, assemblies, the book parade, Wagaman Warriors AFL games, Colour Fun Run, Wagaman World Market and Inquiry sharing. These are great opportunities for students, families and staff to connect and for students to share learning experiences.

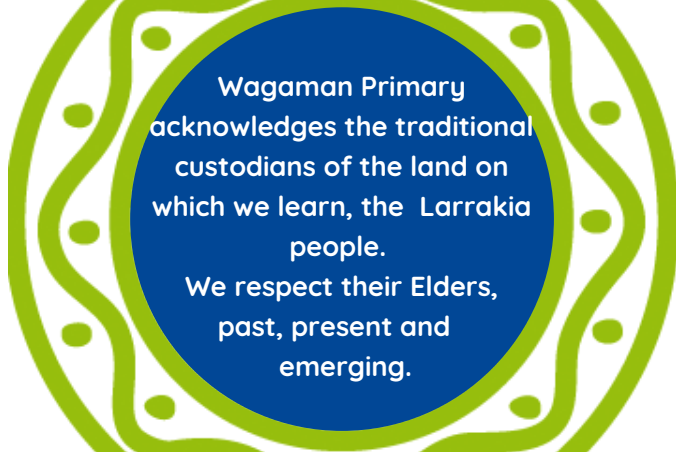

REMINDER

 www.wagamanprimary.nt.edu.au

 @wagamanprimaryschool

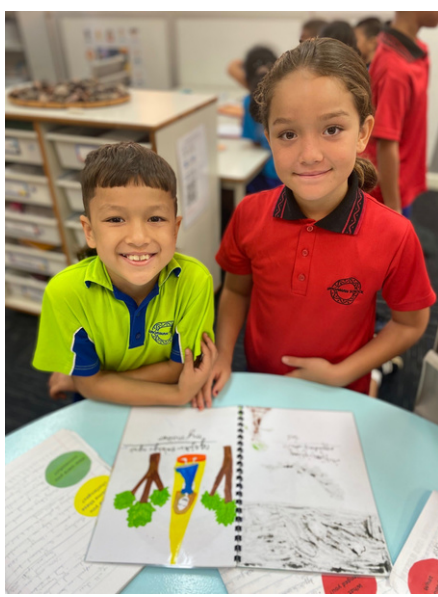

Phone the school office if your
child is absent from school.

Last week our school celebrated Literacy and Numeracy week. Classes had guest readers who shared their favourite picture books, and there were daily Maths challenges that students worked through. Our primary students participated in book quizzes coordinated by Ms Wong. The week culminated with a fabulous parade where students dressed as their favourite book characters. It was wonderful to see so many costumes. Ms Angie, Mr Russell, and I found judging incredibly difficult. Congratulations to our winners and to everyone who dressed up.

Our year 3/4 classes have worked through an inquiry focused on First Nations culture. Classes have been learning about indigenous languages and culture. Some students have pursued personal inquiries. Others have written books and redesigned games using words in various indigenous languages. Yesterday some classes shared their learning with families.

Birthdays are a time of great celebration in many families, and children are often very excited. At school, we like to acknowledge student birthdays, and families are [welcome to bring a fruit platter or cupcakes](#) for their child to share with the class. We ask that families [not send whole cakes, ice blocks, lollies, party bags or small toys as gifts for their child's birthday.](#)

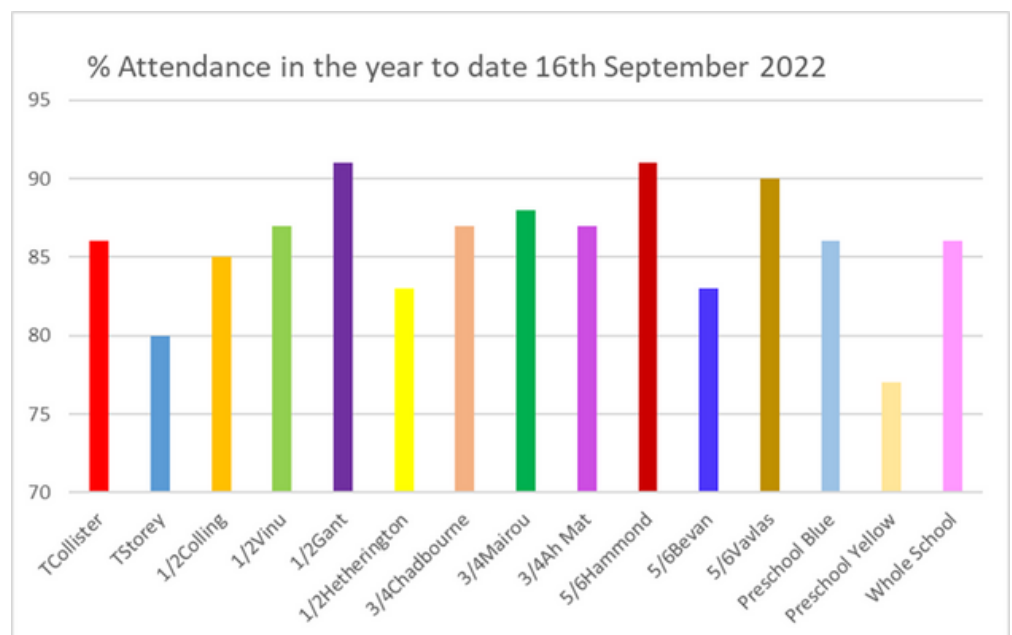

This afternoon our school instrumental students shared their learning in a great performance. The NT Music school offers instrument tuition each week at Wagaman for students in years 4 – 6. This is a fabulous opportunity for students to learn to play an instrument, and the lessons are provided at no cost. Families need to either hire or buy their child's instrument.

If you are interested in enrolling your child for 2023, please visit the NT Music School website by clicking the image.

Our attendance in the year to date is continuing to track at 86%. A special congratulations to 1/2Gant, 5/6Vavlas, and 5/6Hammond, who have consistently achieved attendance of 90% or greater.

TCollister	86
TStorey	80
1/2Colling	85
1/2Vinu	87
1/2Gant	91
1/2Hetherington	83
3/4Chadbourne	87
3/4Mairou	88
3/4Ah Mat	87
5/6Hammond	91
5/6Bevan	83
5/6Vavlas	90
Preschool Blue	86
Preschool Yellow	77
Whole School	86

We have started the very important job of planning for our 2023 workforce. At the end of the year, we have some families who plan to move interstate or to other areas in the territory. [Please notify our front office staff if your children will not be returning to Wagaman in 2023.](#) This will help us significantly in our planning for next year.

Have a safe holiday, and I look forward to seeing everyone back at school on Monday, October 10.

Kind Regards,
Mandy McKinnon

2023 INTENTIONS

If your child/ren will not be returning to Wagaman in 2023, please let us know by phoning the office or sending an email to wagaman.school@education.nt.gov.au

Please let us know what school they will be attending 2023.

Classes for next year will be planned in the final weeks of Term 4.

If you wish us to give consideration to special requests for your child's class placement, please phone or email the Principal.

LEARNING SPOTLIGHT

TRANSITION STOREY

We have been very busy in Transition. This week we have been learning about positional language. We are exploring how to use our language and visual representations to show distance and space by using the words "in front of", "behind", and "next to". We even got to stand on the table and chairs to explore it further! It was lots of fun!

We have also been learning the middle sounds in words and how the short vowel sounds work. We love doing this in our daily Heggerty lessons!

LEARNING SPOTLIGHT

PHYSICAL EDUCATION - MISS ELLEY

Our students have participated in many sporting activities this term, including Interschool Sport - volleyball and netball, Cracker Cup, Pink Power, Wagaman Warriors and Gala Days. Classes have been preparing for these events and learning the skills to play each sport during PE lessons.

Today we had SEDA students visit our school and teach our students AFL skills.

BOOK WEEK CELEBRATIONS

2022 BOOK PARADE

Book Prize Winners

Transition - Tully and Reid

Year 1/2 - Daisy and David

Year 3/4 - Shaye and Lindsay

Year 5/6 - Vhanna and Zak

Special mentions - Alex and Eva

IDEAS IN NUTRITION

Healthy parties

Choose healthy options for birthday parties.

Having some healthy food options at birthday parties is a great way to support healthy choices for kids. Active party games can be fun for everyone too!

To have a healthier birthday party you could try:

- ✓ a fruit, vegetable and dip tray for snacking
- ✓ adding fruit pieces to water to make it look inviting
- ✓ making ice blocks using fruit, yoghurt and recycled yoghurt pots
- ✓ vegetable dip in a variety of colours, with bread for dipping
- ✓ burritos or Mexican wraps are a great way to include all the food groups
- ✓ some active party games such as sack races or tug-of-war.

Find out more about healthy party ideas:
